Matters arising from the Minutes

That RW has added comments in relation to proposed road litigation.

As a Council GP noted in 1992 2 Councillors were opposed to the bypass at that time. But the majority were in favour. So in favour carries the day.

The situation is the same now. The Council in favour of the New road.

A last item on the report is not possible – closing the road through the village for periods of time.

Need anyway to get a traffic sensor in the Village to see how busy the road is.

Also cameras to slow traffic.

This to be done at set times. That AH to arrange to have something here.

Memorial Garden – a plaque in memory of quality has been placed near the tree in the memorial garden.

Email report from AH

a) The social housing of 3 Bryn Deiliog is up for sale. What is the Council's view.? She has argued against the sale, but that Adra claims that there is too much spending to make it up to liveable standard.

It was also passed that we as a Council were disappointed in this, they are supposed to be social housing. Although they will have condition 106, but will local people be able to buy them?

b) Trees in the river – still not had a respond from Natural Resources Wales.

Meeting near Talwrn Bach Railway 5.4.22

RW, AH, GP and Mel

Exciting DEVELOPMENT IS UNDERWAY for 2023

A litter bin has been installed here

GP also wants pricing to have the footpaths route plan fixed on the shelter for Talwrn Bach station. Understand that there will be no improvement work on the shelter at this time. Also obtained the

contact name of the person who has adopted care for this Station. Further consideration with new Council in May.

Other Issues

1. Rhiw Garth Goch Road is again very uneven. Inform Gwynedd Council of this.
2. We as a Council may not meet until after the elections on the 5.5.22
3. Iolyn Jones – for seeking a grant again towards Cae Deiliog – ordering benches and plants/shrubs.

It was passed that this was right.

4. IJ asks what will happen in relation to public footpaths.? That he has 8 poles. Need more of these. Also which routes to set aside.

That the New Council will decide the way forward for the footpaths

KT thank them for all their work.

Also in relation to rubbish collection in the name of the Community Council. It was passed that this was right.(insurance etc)

5. Trouble with the key cutting for the advertising board. Trying to get some new ones made.
