

April minutes draft

Full meeting in the Hall and also on Zoom.

Chairing was Jane Taylor Williams.

The web service did not work as well, and some Councillors who received the translation service lost the service from time to time. This is a cause for concern if residents tried to join over zoom .

A visitor from this Village complained that no pictures or gifts can be placed on display from different Countries at the village hall – like things from Huchenfeld. A matter to be raised in Hall's committee.

Need to give a routes of public footpaths list for everyone on the Council. This was created in 1990 by Huw Owen formerly of Pen Parc. Need to scan and send to the Councillors

Proposed New Road and committees. – As the People's Committee with the Government has been postponed to 26.4.23 there is no point in the Council having a Teams meeting on the 17.4.23 . So putting this on hold until we get more information from the meeting 26.4.23. Hoping this won't be cancelled as well. That Mabon ap Gwynfor and Liz Saville Roberts and Dyfrig Siencyn Gwynedd Council and Pobl will travel to Cardiff for the discussion, with Lee Waters.

20 mph questionnaire – need for everyone to fill this out.

A concern in Llanbedr is that the road near Cambrian Clearance is not within the 20 mph range. The most dangerous part of the road.

Railway and Talwrn Bach Station – no good news re this. Will try to regain the name Talwrn bach. Was renamed as Llanbedr in 1978

HAL – there was a slight response to donate money to HAL swimming pool via e mail. The news that the site was closing came as a bit of an upset for us at the Council. Thank you To everyone who responded, but the Council like the other Councils in the area have agreed to pay a contribution for 6 months only, and see afterwards what the views are locally, by having a public meeting..

People's campaign walk – Annwen Hughes noted that the march had been very prosperous.

Good gathering said JTW with a good number backing the walk, and had a cuppa at the end. Raising awareness.
