Issues arising

1. The Cemetery – look at the little shed later in the year
2. Playground – the inspection work will be carried out this month.
3. Complaint received from Capel Members that the Ysgol Feithrin workers are coming into the Hall while a service is taking place. Iolyn Jones has been in contact with them.
4. The issue of the toilets being vandalised once again. Poo has been smeared on the walls. This kind of thing is not acceptable. Llanbedr taxpayers are paying to keep the toilets open for them. Cost of £5000 per year. Therefore, this must be stopped please.

Maybe you will see a sign here stating this in the future. It would be a loss for us to lose this service!!!!

5. Huchenfeld – email from Susanne informing that the Huchenfeld group will not be coming here this month. Reschedule for the Autumn. GO noted that a Zoom Service is good.

6. Tender – nobody has contacted for tender. Will Hooban has tendered for the playground and the old cemetery.

7. The championship meeting will be at 2:00 on April 22 at Rhinog Fawr. Drone noise,

8. Tim tacluso from April 20 – 24

9. Double Yellow lines Plas Newydd – confirm action on this

10. Llinos Angharad newsletter about new road - before the election.

11. Kevin's email about grants. And application packages for National Park grant and also Gwynedd Ni (Alys Gwynedd Council)

12. Cambrian Coast survey by Lowri. Responses needed for this.

13. John Tometzki – disabled yellow lines opposite the Old Library.

Report by GO

1. Garbage trucks – waste is being blown onto the road because they do not close the side of the road. New trucks needed in the future.

2. Service from Huchenfeld over Zoom.

3. Condition 4 with Gwynedd Council planning has been stopped.

4. About sending how Gwynedd Council manages our taxes to the Clerk.

Report by AH

1. Embarrassment with this dirty vandalism.

2. Implement double yellow lines.

3. Harlech Hub has finished. - Open hub in Barmouth Police Station is open. Eilw and Jill from the police are responsible from Barmouth to Llanfair. Port Police are operating from Port to Llanfair.

4. Concern about tickets for children from schools traveling on trains to Arduwy during school hours and school term. Harlech children do not have tickets.

GRANTS – need to consider what we need in Llanbedr. Please message the Clerk.
